25 TH IARU
REGION 1 / EUROPEAN
ARDF CHAMPIONSHIPS

Introduction

Dear Sports Friends,

Romanian Federation of Radio Amateurs is pleased to invite ARDF teams, individual competitors and guests to visit Târgoviște, România and to participate in the 25 th IARU

Region 1/ European ARDF Championships.

Babeu Pavel. YO9TW

Chairman of the organizing committee

Dear participants, Distinguished guests,

On behalf of the local community and the administration of the Municipality of Targoviste, it is my great pleasure to welcome you to our city on the occasion of the 25th European Championships in Amateur Radio Direction Finding.

We are honored that Târgoviște has been chosen to host this prestigious European event, bringing together enthusiasts from all over the world — people united by curiosity, technology, and the passion for communication beyond borders.

Târgoviște, the former capital of Wallachia and a city rich in history and tradition, welcomes you with warmth, openness, and respect. I hope that your stay here will not only be a time of exciting competition but also an opportunity to discover the charm, hospitality, and cultural heritage of our community.

I wish you all great success in the competition, memorable moments, and an unforgettable experience here in Târgoviște.

Welcome to Târgoviște – the historic heart of Romania and, for a few days, the world capital of amateur radio!

With warm regards,

Daniel Cristian Stan,

Mayor of Târgoviște Municipality

Note:

Note on use of GPS devices: The use of satellite positioning devices is allowed provided they do not contain digital map of the terrain.

Note on thunderstorm: In a case of a severe thunderstorm, the Chairman of the Jury may recall the competition (27.5 of the Rules). The competitors shall set for the finish immediately.

Insurance and Medical Care: First aid facility will be available at the finish areas for all competitions. No cost to the participant applies for on-site minor treatment; however, the cost for ambulance transportation, emergency department visits, and clinic visits will be the participant's responsibility. Thus, we recommend you to purchase an insurance covering such expenses.

Terrain characteristics, clothing, weather:

The terrain is hilly, characterized largely by sparse forest alternating with open meadow areas. In certain sections, the vegetation becomes denser, forming thickets that may make movement more difficult. The area is crossed by a welldeveloped network of trails.

In August, the average temperature is approximately 22°C, with frequent daytime highs of 27–29°C and nighttime lows of 16–18°C.

Regarding precipitation, August is generally stable and predominantly sunny. There is a possibility of short showers or summer storms, but these are usually isolated and of short duration.
